

October 1, 2023

Dear Vendor,

The Wilcox Area Chamber of Commerce is planning our annual Christmas in Camden event – and we would love to have you join us! Each year we host this festive event to bring a little bit of Christmas joy to our county, while encouraging people to shop local.

This year's event will be held Tuesday, December 5th, beginning at 5:30pm in historic downtown Camden, Alabama. Santa will be escorted into town on a fire truck, Christmas music will be playing, hot chocolate and food will be available, there will be games and fun activities available, and kids and adults alike will enjoy making holiday crafts and ornaments! In addition, several downtown businesses will be open after hours for special holiday shopping, while vendors will be selling crafts and gift items.

I have enclosed a Vendor Application form in hopes that you will join us on December 5th! If you have any questions, or would like additional information, please do not hesitate to contact me.

Sincerely,

Director
Wilcox Area Chamber of Commerce
